SELECTMEN'S REPORT

1997

During the year of 1997 we initiated many changes for the Town of Temple. The Highway Department got its new dump truck and plowing equipment, a new bridge was constructed on Hadley Highway, we joined the Wilton Lyndeborough Ambulance Service, we repaired and painted parts of the old Town Hall, the E911 Addressing is nearing completion, and the new cemetery is slowly but surely being prepared for the future.

During the year of 1998 we hope to be initiating some or all of the following proposals.

1. To start the process of preserving the old records of the town.
2. To upgrade the Tax Maps.
3. To repair and paint the windows at the old Town Hall.
4. To install a security system at the Municipal Building.
5. To continue to improve the new cemetery for the future.
6. For the town to keep three lots taken for back property taxes on Rt. 45 known as Map & Lot numbers 2-41, 2-41-1 and 2-41-2 for the future.
7. To keep our annual inventory of taxable property system intact as it is.
8. To appropriate money for a new bridge on Webster Highway at the intersection of Putnam Road and Webster Highway and to construct that new bridge as soon as possible.
9. To appropriate money to reassess the whole town.
10. To appropriate money to continue studying the space needs of the town in general and, in particular whether the town should purchase the existing Temple Elementary School from the ConVal School District.
11. To see the E911 Addressing through to completion.
12. Last but not least, to initiate and run a 2.3 million dollar business for all the residents of the great Town of Temple. Thank you!

Respectfully submitted,
Brian Kullgren, Robert Frazier, and Allan Oxman

RECYCLING CENTER

This year saw about a 4% increase over last years actual total tonnages. Once the final figures were in last year's increase was around 8% over 1995. This year's figures are much closer to complete so I don't anticipate any significant changes.

Thanks again for the support of the Wilton Selectmen, the people at the Town office, the Wilton Highway Dept. and all the officials and residents of our six towns who help to make our efforts pay off.

Respectfully submitted,
Joe Paro, Manager, Wilton Recycling Center

TEMPLE VOLUNTEER FIRE DEPARTMENT

1997

In 1997 the Fire Department responded to 57 calls. 27 fire calls, 31 medical calls. The breakdown is as follows:

1	Structure Fire / Temple
6	Structure Fires / Mutual Aid
0	Motor Vehicle Fire
8	Motor Vehicle Accidents
1	Smoke Investigation
1	Brush Fire
3	Chimney Fires
4	Miscellaneous Calls / Temple

1997 saw big changes in the Temple Fire Station. On December 1 the 1973 pumper was retired and in its place sets a Wilton, Lyndeborough, Temple ambulance. The Temple Rescue Squad disbanded and medical care is now controlled by the new Wilton, Lyndeborough, Temple Ambulance Service. An Emergency Equipment line item has been added to the Temple Fire Department budget. These funds are to be used to purchase and maintain equipment for ambulance personnel of Temple. Thanks to the hard work and dedication of Temple emergency medical technicians. Ambulance response is now the best Temple has ever had, and among the best in the state.

Vehicle maintenance was quite more than we expected last year due to the tanker. Budgeted maintenance on the transmission went well but radiator repair and replacement of two expensive tank valves put the budget over.

In April, a positive pressure ventilator (PPV) was purchased to quickly remove heat, smoke and gasses from a burning structure. Firefighting in a smoke filled building is extremely dangerous due to the high temperatures and the blinding smoke. We have used the PPV at several fire drills and our one structure fire and have found it very effective.

Please be vigilant at home about any potential fire source. A candle started the one structure fire last year. In the past ignition sources have been stove ashes, paper too near a wood stove, dirty chimneys, toaster ovens on unground-faulted circuits, portable electric heaters and cigarettes. The number of fire calls in town were down last year, and that is fine with us. We will keep training, preparing for the worst and hope for the best.

William S. Wildes, Fire Chief

FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000.00 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Land, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention and law enforcement. The 1997 fire season was a safe period for wildland firefighters with no major injuries reported. The drought conditions experienced during the early summer months were a significant factor resulting in the total number of fires reported during the season.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

TOWN FORESTER'S REPORT

For the tax year April 1, 1996 through March 31, 1997, 14 Reports of Wood or Timber Cut were received by the Town. Yield taxes assessed for these harvesting operations totaled \$8,509.45.

The lumber market has continued to improve over the past year. The demand for forest products in our area has remained strong and stumpage prices have continued to increase. As of February 5, 1998, 15 Intents to Cut have been filed with the Town for the current tax year. The projected yield taxes that will be generated from the harvesting operations filed for so far this year are estimated to be about \$17,238. The number of timber harvests in Town has remained consistent with last year. However, the size of the jobs have increased resulting in a substantial increase in Yield taxes for the period.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs for their own use, or a person cutting up to 20 cords of fuel wood for their own domestic fuel purposes, within the tax year. Under these exceptions an individual does not have to file an Intent to Cut form. The tax years runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by April 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time, a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90 day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to April 15th.

Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, contact me at the Selectmen's Office, or by phone at 654-6868.

SOUTHWEST REGION PLANNING COMMISSION

The Planning Commission, with a service area covering 35 municipalities in Cheshire and Hillsborough Counties, is one of New Hampshire's nine regional planning agencies established by RSA 36. We continue to provide planning-related assistance to member communities and to represent the Southwest Region in state and federal programs. Our diverse work program covers activities such as local planning assistance, regional information systems & mapping, transportation planning, community & economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. For every dollar of local dues, the Commission's operating budget includes over four additional dollars to assist in meeting the needs of the Region and its municipal members. These additional funds are provided in the form of various federal, state and local grants and contracts. These resources provide the Commission the ability to assemble a professional staff which member municipalities have direct access to.

Highlights of Commission activities for the past year include establishing an economic development planning program; award of a contract to study the Route 101 corridor from Keene to Milford; facilitation of a 10-year Transportation Improvement Program for the Southwest Region; preparation of a document and process to promote natural resources planning; participation in sponsoring several educational forums on planning related topics; and, use of a federal grant award to construct a mobile resource awareness center for educational purposes. In addition to the above, we provided oversight assistance pertaining to the Temple Mountain project being considered for submittal under the State's Community Development Block Grant program. We were also fortunate to conduct our Quarterly Commission meeting in Temple this past October.

We continue to be available to assist you in your planning related activities - please don't hesitate to contact us if you have project you would like to discuss. Thank you for your continued support of the Commission. We look forward to working with you over the coming year.

Timothy P. Murphy, Executive Director

**HOME HEALTH CARE, HOSPICE
AND COMMUNITY SERVICES, INC.**

Town of Temple, N.H.

January 1, 1997 to December 31, 1997

In 1997, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Temple. The following information represents a projection of HCS's activities in your community in 1997. The projection is based on actual services provided from January through September 1997 and an estimate of usage during October, November and December.

Service Report

<i>Services Offered</i>	<i>Services Provided</i>
Nursing	80 Visits
Physical Therapy	5 Visits
Speech Pathology	21 Visits
Occupational Therapy	2 Visits
Medical Social Work	2 Visits
Nutritionist	0 Visits
Home Health Aide	320 Visits
Homemaker	0 Hours
Total Unduplicated Residents Served: 10	

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 1997 with all funding sources is projected to be \$21,470.70.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 1998, we recommend an appropriation of \$1,750.00 to continue home care services at the current level.

Thank you for your consideration.

MONADNOCK FAMILY SERVICES

As you know, Monadnock Family Services is active in your community providing quality mental health services to all residents who need them regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work. We are pleased to give you the enclosed census report which outlines the services provided to Temple residents during the 1996/1997 fiscal year.

MFS is requesting financial support to help underwrite services we provide to uninsured and underinsured individuals in Temple. We are asking for an amount equal to \$1 per capita based on figures from 1993 population estimates from the NH Office of State Planning. For Temple, this amounts to \$1,373.00. We work continually to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population. As a result, our requests to towns have remained unchanged since 1990.

The support you have provided to MFS in the past is deeply appreciated, and we hope that our partnership in caring for the citizens of Temple will continue with the incorporation of this request in your town's budget.

In addition to the census report, I have enclosed a number of materials describing the services we provide. If you have any questions, or require further information, a representative from the agency will be happy to speak with you, or the Budget Committee.

Again, we appreciate the assistance you have offered in the past. In light of the current pressures and challenges we all face as town administrators, helping professionals and private citizens, it is more important than ever that we work together for the health and well-being of our communities.

Thanks for your continuing consideration.

Lee Bruder, Director, Eastern Region

TEMPLE RESCUE SQUAD

The Temple Rescue Squad would like to thank all of the residents who have supported us since we started. We would also like to thank the voters from the 1997 Town Meeting who approved Warrant Article #11 to purchase an ambulance as part of our investment into the Wilton-Lyndeborough Ambulance.

In April 1997 the Wilton-Lyndeborough Ambulance welcomed the Town of Temple as an official member and the name of the organization was changed to the Wilton-Lyndeborough-Temple Ambulance Service. During the summer of 1997 the new ambulance arrived at the bay located in Wilton, and Temple purchased the 1991 Ambulance as our buy-in into the association, this ambulance to be garaged in the Temple Fire Station.

On December 7, 1997 the 1991 ambulance arrived at the Temple Fire Station. After much discussion, it was decided to disband the Temple Rescue Squad. All seven members of the Rescue Squad have become members of the ambulance service and we are still here to serve the residents of Temple. If you have an emergency, you will see the same familiar faces, as well as new ones as we welcome responders from Wilton and Lyndeborough.

Anyone interested in the Emergency Medical Services should contact the Wilton-Lyndeborough-Temple Ambulance at 654-2222. New faces are always welcome.

TEMPLE POLICE DEPARTMENT

1997

1997 was an eventful year for the Temple Police Department. We had a record number of arrests, with the majority being alcohol and drug related cases. The drug cases involved production and distribution, as well as possession. There was a notable increase in serious juvenile offenses as well. The benefits of having a full time officer to cover the night shift are clearly evident in this period of increasing crime. The additional coverage offers greater availability and protection to the citizens of Temple.

The department was involved in several community policing projects, including a women's self defense course, a Halloween safety discussion at the elementary school, and the youth soccer league. We continue to provide coverage for town events including Holiday celebrations and the Harvest Festival. We anticipate continued programs to serve the communities safety needs.

During 1997, we worked intensively on updating our Standard Operating Procedures Manual. This manual fully describes the proper police procedures for every conceivable incident. Officer training in the use of these procedures will be completed in 1998. The implementation of these Standard Operating Procedures will greatly reduce the liability of the town.

The department bids a fond farewell to Officer Pete Clegg, and thanks him for his many years of dedicated service. We are pleased that he has taken the position of Animal Control Officer, and look forward to working with him in this capacity. I would also like to thanks Officers Hutchins and Pelletier for their hard work this year, and welcome Officer Warren Breau to the department.

Respectfully submitted,
James H. McTague, Chief of Police

HIGHWAY DEPARTMENT

Winter:

The winter months of 1997 were very busy months for the highway crew. We had about 21 small snowstorms in January, February, and March. Most of the snowstorms ended with rain causing the sand and salt bills to run higher than usual. Fortunately, we had good stockpiles and didn't run out of either. Then of course was the 27" snowstorm to start spring off on April 1.

The snowstorms started earlier than usual in November and continued on into December. This gave us a white Thanksgiving as well as a white Christmas. Altogether, things went quite well. With no major breakdowns or problems, we ended the year with about \$11,000.00 left over.

Summer:

We had a lot of projects to do along with our normal maintenance in the spring and summer of 1997. Our "mud season" came but dried up quite quickly in April allowing us to get the ditching and grading done fairly early. Thanks to a lack of thunderstorms and heavy showers, the dirt roads held up well for the remainder of the summer.

In July we worked on replacing and repairing various culverts, hauling gravel, and mowing roadsides. I would like to thank the Lorden family for donating approximately 900 yards of gravel to the Highway Dept. This gravel was mixed together with another pile of gravel that we already had, crushed down to 1 1/2" size, then used to help rebuild a section of East Rd.

The month of August was spent mainly on preparing East Rd. and Webster Rd. for paving and sealing. We cleaned the culverts and ditches then dug big rocks out of the roads.

September was very busy. We had F.W. Whitcomb start rebuilding the bridge on Hadley Hwy. over Gambol Brook. J.G.E. Excavating came in with a machine to grind up the pavement on the section of East Rd. that we were rebuilding. When our reconstruction was finished, Brox Paving came in to repave 5/10 mile of East Rd. and 4/10 mile of Webster Rd. When this was completed, we shimmed up a few more of the bad sections of these roads then sealed and sanded them.

Our new dump truck arrived in October. It is an impressive piece of equipment and should serve the town quite well for many years. The bridge over Gambol Brook was completed in October also. This bridge should be good for 75 - 100 years due to the excellent workmanship that was done both in the engineering and in the construction of it. I would like to thank Ben Tirey and Dick Keuper for their professional help in choosing an engineering firm to design the bridge for us. Their help was very much appreciated.

Then came time to prepare for winter again. We graded most of the dirt roads. We also put in our stockpile of winter sand and readied the equipment for the winter months.

In 1998, the Highway Dept. will be working quite a lot on Hadley Hwy. and in that area of town. We plan on installing a large amount of drainage on Mountain View Dr. and replacing some of the culverts. We also hope to get started with the engineering of a new bridge to replace the existing bridge on Webster Rd. by the Pony Farm. If we can get that done we should be able to schedule the rebuilding for the summer of 1999.

Timothy Fiske, Road Agent

CEMETERIES 1997

In addition to our usual maintenance, we had to do a little serious tree work in 1997. Two of the large pine trees in Miller Cemetery were getting sickly and had to be taken down and the stumps removed. We also lost the top half of a large pine tree in the April 1st snowstorm. Fortunately, it did very little damage when it came down, missing all of the gravestones. Still another of the pine trees was struck by lightening on July 9th and it will probably need to be removed in 1998. The huge maple tree in East Cemetery is slowly dying. We had a tree surgeon come in, remove all of the dead limbs, then cable the two sections that are beginning to split apart back together, rather than take it completely down.

It was very fortunate for the town that the excavating company for the new school needed a place to dump a lot of fill in July. We had them haul approximately 3000 yds. of it to the new cemetery site across from the ballpark. They also donated 700 yds. of topsoil which has been stockpiled towards the back side of this area.

In the 1998 budget, you will notice that \$5000.00 has been added. This will be used to screen and move the pile of topsoil that we have collected at the site. It will also be used to build an entrance road down into the site and to move the fill around in preparation for more fill being hauled in. Bit by bit the site is taking shape.

Timothy Fiske, Cemetery and Common Supervisor

306 books were purchased with library funds and 67 books were given to us. 241 books were removed from the collection to make room for new acquisitions.

Our annual Open House was held on April 29. Prizes were awarded for bookmarks made by grades 3 and 4. Refreshments were provided by the trustees.

The trustees held their usual strawberry shortcake sale on Memorial Day and the book and pie sale during the Harvest Festival. The proceeds are used to fund our prizes for the April art contest and the summer reading program. This year we also bought Encarta '98, several travel videos and a subscription to Investors Business Daily. We hope the Encarta will prove useful.

The Friends of the Library ran a fantastic Game Day three afternoons a week on the library lawn this summer. It was an ambitious undertaking and proved to be very successful.

The summer fun reading began on June 17 and concluded with a great party on August 14. Thirty-four children read 601 books.

We wish to thank all of our good friends who have contributed to the library in anyway during the year. We depend on gifts of time, money, videos, and current books and magazines. We also encourage memorial donations.

Speakers for the Friends public meetings this year were:

Jan. 14	Barbara Clinkenbeard
April 22	Charles Merrill
Oct. 14	Margaret Bean

On July 17, the Friends of the Library visited the Saint-Gaudens Museum in Cornish. The Friends meet at 9:30 every other month on the second Saturday. During the year they also sponsor a book discussion group.

Pre-school story time is held at 1:30 on Monday afternoons.

The library trustees meet on the second Wednesday of every other month at 7:30.

Books may be borrowed from other libraries through the I.L.L. system. We have a copy machine for public use and provide tax forms (federal and state). We also have 2 adult tickets to the Museum of Fine Arts in Boston for our patrons to borrow.

We urge you to use the rear entrance. Our book drop is located there. The front steps will not be cleared during the winter. The rear entrance is equipped with a ramp and a bell (if assistance with the door is required).

Library Hours: Monday 1:30 - 5, Tuesday 10 - 12 & 1 - 5:30, Wednesday 1:30 - 5 & 7 - 9, Friday 1:30 - 5 and Saturday 2 - 5. Our phone number is 878-3100.

RECREATION COMMISSION REPORT

1997 was a successful year for Recreation programs. Cost and programs are increasing and we managed to overspend our budget by a few hundred dollars. We added a Halloween party this year, bought new bases for the ballfield, and had a longer time for the portapotties which increased our expenses.

We had a successful Easter Egg Hunt, Christmas Party, a couple of teenage dances and adult dances. We supply money to Andy's Playhouse performance at the Town Hall, we had a successful Rick and Jackie Davis performance and a Senior Citizen Thanksgiving that was excellent.

Financially we need to increase our budget to help a summer program at the library which is very successful and to accommodate additional needs that keep popping up. As the Community grows so do Recreation Programs.

Respectfully submitted,
Joe Cournoyer, Chairman, Recreation Commission

ANIMAL CONTROL OFFICERS REPORT

In September of 1997 I accepted the position of Animal Control Officer, along with my deputy Ervin (Butch) Blood. We have been kept busy with animal calls and animal complaints. The following is a summary of events that took place from Sept. to December 31.

Horse Complaints	8
Farm Inspections	2
Missing Dogs	8
Found Dogs	6
Missing Cats	7
Found Cats	4
Deer Killed by Auto	2
Other Road Kill	5
Loose Cow	1
Served Civil Forfeiture	3
Dog Pick Up Fee	\$45.00
Dog License	1
Adopt a Cat Program	1
Adopt a Dog Program	2

We can keep the animal control budget low if we just respect our neighbors, by not allowing your animals (pets) to roam freely, by not allowing dogs to bark for more than 30 minutes and for your larger animals, remember to check your fencing often. We all will be appreciative.

For Animal Control Response Please Dial -- **878-3474**

Respectfully submitted,
Peter A. Clegg, Animal Control Officer
